

It starts with one message. And your money follows your rules.

A financial interface built for trust, clarity, and meaning.

- ✓ Tell us what you need. Squilio listens. Finds it. And gives something back - money or meaning
- ✓ No searching. No scrolling. Just you - guided by AI

White - Labeled

A billion - dollar market in transition

A generation demanding purpose

The Problem

Shopping systems are outdated

- 🤖 Fragmented and inefficient
- 🧊 Cold and impersonal
- 💸 High fees, low returns

The Solution

Squilio closes the loop – with AI, Loyalty, and Impact.

- 🧠 AI shopping guide
- 💚 Social impact
- 💰 Loyalty system with user + merchant win

The Platform - Live. Scalable. Ready to deploy.
